Dr. Nathan Bailey, President
The Christian & Missionary Alliance
260 West 44th Street
New York, New York

Dear Doctor Bailey:

On behalf of the North Central District of the National Evangelical Church of Viet Nam, I wish to express our deep sympathy to the entire Alliance constituency on the loss of our beloved missionary, Rev. I. R. Stebbins. A valiant soldier has heeded his Commander's final summons.

Rev. Mr. Stebbins was among us from the early days of the work here, and there are many many Christians who came to Christ under his ministry, or who learned of the Master through his teaching. He will live on in these lives and in the life and memory of the Church here.

What rejoicing as we all meet together in Heaven some day! Please express our deepest regards to the family and to his colleagues.

Sincerely,

(Rev.) Nguyen-xuan-Vong
District Superintendent
