Rev. D. I. Jeffrey,
Tourane, Annam.

Dear Brother Jeffrey:

Thank you for yours of September 29th which came just too late to include your extra hundred dollars in the last allowance. We will include it in the next.

We praise God with you for the twenty-five students enrolled and for the work which you are accomplishing in the Bible School. I note what you say with regard to the new dormitory being already full and the further need of another dormitory. I have already written of this to the Board and asked them for a thousand dollars for the same. I trust that it may be forthcoming soon. In the meantime, as I have written to Brother Irwin, I believe we may use the money sent by Mrs. Foster for the Bible Women's School dormitory. I am waiting to hear from him or from Miss Frost as to this.

I was glad to hear that little Ruth is gaining in weight rapidly.

With kindest remembrances to Mrs. Jeffrey and the baby, believe me to remain,

Yours very sincerely,

RAJ/M.

R. A. Jeffrey
