Re: ADOPTING VIETNAMESE ORPHANS

The recent news coverage on the orphans from Viet Nam will probably result in calls to us for information on adoption. Since we have not conducted orphanage ministries in Viet Nam, we are not in a position to assist individuals desiring to adopt a Vietnamese child. Please advise anyone requesting information to get in touch with:

The Holt Adoption Agency  
P.O. Box 2420  
Eugene, Oregon 97402  
telephone: 503-687-2202

or they may obtain more information by calling this toll-free Red Cross Adoption office number: 800-424-1180.

Thank you,

Arni Shareski
