Dear Ivory:

Am herewith enclosing an application for a student for the Bible school. Am also enclosing two dollars for Thầy Đôn Thọ, which is to be taken off his salary every month.

Go school to start the first of Aug. or September. Please let me know about this.

We are having services at two outstations one at Quoi Song and the other at Nân Thach and our service here on Sunday.

We thank and praise the Lord for his working so far. I have prayed. The chief of a village called Bentranh was saved and he wants to go to school. He has money. Will let you know later about this. How are things in Courane?

Margaret sends her love to Ruth regards to you, regards from me & Mrs. Jeffrey and my love to you. Waiting to hear from you soon.

Yours in Christ  
J. C. Terry
