June 21  
Rev. I. D. Jeffrey,  
Tourane, Annam.

Dear Ivory:

Received your letter of June 5th this morning. Same was given to me by the preacher Thay Dang. He and his family arrived tm O.K.

In regard to Thay Dang's account you have the following item;

June 2 To cash, advance on salary for June \$10.00  
( Note, if you think he needs the cash you may take this back in two months).

I do not quite understand this little note that you have added in regard to this amount, and trust that you will write more fully an explanation of it. I understand of course that you have already advanced \$10.00 on June's salary, but regarding the note that you have attached, I am at a loss to understand what you really have reference to. By the way, how much will this man get?

Regarding Mr. Luom's application, note what you have stated and will communicate with him regarding it.

You also enclosed a receipt amounting to \$12. for Thay Bon Thong. I told him about it and he said that he has been in the south since the end of last September, thus you see there should be more money for him than \$12. Trust you will also look into this matter and let me know so that I can tell him.

Suppose you must be rather tired after such a busy time with housecleaning, cleaning up classes, etc. Am surprised to hear that school opens up a month earlier this year.

The thay tells me that everybody is well in Tourane and that it is awful hot up there. Glad to say at present we are having our rainy season, therefore it is considerably cooler and far cooler than Tourane at this time of the year.

Was very sorry to hear of the death of brother Cunningham. Received the telegram last night. The devil is certainly trying his best to hinder the work, but praise the Lord, He that is with us is stronger than he that is against us.

We surely praise the Lord for the way He is working in Mytho and in some of our outstations for we now have three of them quite a distance from here and the meetings are well attended. Up to the present, about sixty have prayed and some will soon be ready for baptism. We have a voluntary colporter working in one of our outstations and are only awaiting books so that we can have a couple more ready for work. We are patiently awaiting books which have already been promised us but which have not arrived as yet.
