Rev. D. I. Jeffrey
Tourane, Annam

Dear Mr. Jeffrey,

It has just occurred to me that you are the best authority as to who the native workers are and where they are stationed. I am anxious to avoid any mistakes this year in the Prayer Calendar, therefore will be greatly obliged if you can type me off the name and places of all our native workers, mentioning also the colporters as you know of them, especially the newly-appointed student-colp.

I wonder whether you have yet sent off that mss. of Torrey's book? We will be needing it next week. We are going ahead with Jaffray's "Second Coming," and hope to have it out by the end of next month.

Owing to a mistake in a figure in the cabled order the French have sent out the wrong paper for the Bible which I have refused to accept. Therefore we have made but the right cable and sent it. This unfortunately means a delay of another two months before starting in on the Bible which I am tremendously anxious to get through with and finished. However our presses have a sixty-thousand order for the Gospels and so have plenty to keep them running all the time.

Now this is all at this time. We are going ahead with our new buildings, but they are costing two hundred more than I bargained for. However the mission should certainly meet the extra two hundred dollars and provide us with a coolie's room and a room for the Bible woman. Hanoi has never had any provision made for a Bible woman or coolie's room. I will mention this in my next letter to Mr. Irwin. It is a very reasonable demand indeed, and I anticipate not the slightest opposition.

Mrs. Cadman joins with me in sending our kindest regards to you and Mrs. Jeffrey and Ruthie, trusting that you are all well and busy for the LORD.

Yours in HIM,

Wm. C. Cadman
