Dear Jeffrey,

Yours of the 10th received and I was glad to hear from you and to read the report that you sent to Mr. Olsen from the Bible School. May the blessing of the Lord continue to rest upon you and the students in your work for the Master. We are praying for you.

I was quite busy for a few weeks after arriving here so had little opportunity to do any preaching however I got in one Wednesday night message. That was my first and I was quite scared to leave my manuscript so the greater part of it was read. I was much encouraged tho and find it will not be as hard as it has seemed to me every time that I thought of it.

Mr. Irwin will soon be here I expect and then I will soon know where I am to be stationed. I shall surely be glad to get down to solid business once more. This doing a little of one thing and a dab of another isn't very interesting when there is a bigger and more important job waiting.

John arrived home last Saturday. Just the same John!

I'm sending this check for twenty dollars that was given to me for the mission thinking it might be of use in the Bible school. I don't like to have it around while I'm spending money or the first thing I know I won't have it any longer. Do you have the same disease? When I am buying things I forget to think about how much of the money that I have belongs to me until I find I'm about broke, so I think this will be safer in use some place.

Trusting the Lord will continue to bless and give you and the students an excellent year for His glory, I remain,

Yours in the fellowship of the Master,

Arthur
