Rev. & Mrs. A. T. Williamson,
Union Gospel Tabernacle,
West Hempstead, L. I. U.S.A.

Dear Brother & Sister Williamson:

We have received your letter of Nov. 24th, enclosing a draft as a Christmas gift. This is something more than we ever expected so wish to thank you and all the members of your church for remembering us in such a generous way. Your gift arrived in a time when we needed help, so it was greatly appreciated. God's promise is true, "But my God shall supply all your need according to his riches in glory by Christ Jesus!"

The Christmas season was a busy one and the meetings were well attended, especially Mrs. Van Hine's Sunday School service was packed to the doors and then many squatting outside in the yard. There were 150 children present and many more wanted to enter the chapel, but were not permitted as it was a special service for all those whose name was marked in the record book. It was a happy time for them and they received a present for coming according to their attendance during the year. Our hearts rejoice to tell the Christmas story to both young and old again how Christ not only came and born in this world, but that He also came to be born in their hearts, and they be born again. Praise God many had heard and have Christ dwelling in their hearts and those who are still outside the fold, we pray God will use us to bring them in.

We could not go to our outstation on Xmas day, so went on Tuesday. We were planning to take the train but before leaving a car stopped in front of the house and the chauffeur said he came to take us to Dong Mo. we told him we had not hired a car, but he said the car was already paid for by the Christians. This was a great surprise for us so you can imagine how grateful we were. They told us when we arrived that they wanted us to be there early and have more time with them and also to make it easier traveling for Mrs. Van Hine as they knew she was not well. God blessed the meeting and five more souls were added to the Kingdom. They were all women too and we praise God for saving them as in the natural the women here are harder to reach than the men. Please remember them in prayer that they will remain true and follow Jesus all the way.

Mrs. Van Hine's health is much better although she is not yet completely healed. All during the busy holiday season she kept going and only at times had pain, but no real gall stone attack, so you see she is improving. Please continue to pray for her that the Lord will continue the work He has started and also thank Him for what He has already done in her body.

Under separate cover we are sending a picture of the Dong Mo chapel with all the Thos who were present at the Xmas service.

We wish to thank you and your congregation once more for their love gift and may the Lord bless every member as they give to make Christ's Name known to the heathen.

Yours in His service of love,

Mr. & Mrs. J. J. Van Hine
