Rev. Ivory D. Jeffrey,  
Tourane, Annam.

Dear Ivory,

Just a further line to supplement my letter of the 25th. Thầy Nương has paid me \$90.00 for his school <sup>support.</sup> He will pay me the balance when I go to Caolanh next time. I have now \$213 (\$5.00 for Liâu's child), which I will forward as soon as the allowances arrive. I trust Mr. Jeffrey will not omit to send the station allowances this month, or I will be calling on you for some of that \$300 back again!!

Kindly cancel Thầy Châu's application to school. His actions of the past month have made it very doubtful whether he can remain a member of the Sadee church. It is a matter about which I am not able to write you. Herbert's man Tư is also implicated. I will be going to Cantho with regard to this business early next week.

Mr. Cadman wrote advising me to get the examination paper from Mr. Grape. This paper must be an old one and would not be according to the schedule for this year. Will you then please make up a set of questions for us, remembering that "Blessed are the merciful". I'll do my best to take the exam.

Kindest regards to all.

*Love in Him,*
