Dear Miss Smith:

Dr. Bailey, the President of The Christian and Missionary Alliance, has sent to my office the taped vocal solo of your song, "From Dying Missionaries", as well as your letter and music score.

I want to add my thanks to those of Dr. Bailey's in acknowledging your material. Because we have an urgent deadline for a filmstrip on Bannethuot, before and after, I am going to have to ask someone at the Nyack Missionary College Music Department for an assessment of your song from the musical standpoint.

Please be assured that we are following through on this and will have some further word for you in the near future.

Thanks again for writing us. May the Lord richly bless you and your continued prayer ministry for Him.

Cordially,
Sincerely in Christ,

Gerald B. Smith

Dear Miss Smith:

When I was thinking about the missionaries dying in Vietnam I set at my keyboard and the words and music of the song I am sending you came to me. The second verse came to me while I was in church the following Sunday. I wrote the letter and I sang the song two different times and the people were impressed. I have been encouraged to send the song to you. Thank you for your recent letter, together with the words and music of your song, "From Dying Missionaries." So I have made a tape and have written the song the best I can. I will appreciate your comments and suggestions. I regret that I have not yet been able to give it the attention I would like due to department and committee meetings and our Quarterly Board meeting which opens next week.

However I want to acknowledge your letter and to thank you for your interest in our work and for your burden for the furtherance of our ministry in Viet Nam. Please continue to pray for our work there.

As yet I have not been able to listen to the tape, but expect our Public Relations Director will return to headquarters soon and his equipment will then be available.

Thanks again for writing us. May the Lord richly bless you and your continued prayer ministry for Him.

Sincerely in Christ,

Dear Dr. Bailey:

After hearing about the missionaries dying in Vietnam I sat at my organ and the words and music of the song I am sending you came to me. The second verse came to me while I was in church the following Sunday. Our pastors daughter and I sang the song two different times and the people were impressed. I have been encouraged to send the song to you.

I am very limited in my knowledge of music so I have made a tape and have written the song the best I can. I will appreciate your comments and consideration.

Thank you so very much.

Yours truly,

Loretta Smith
