Hanoi, le 21st July, 1924

Rev, D. I. Jeffrey
Tourane, Annam

Dear Mr. Jeffrey,

Received your letters regarding school regulations which are very good, especially as you seem to have left loopholes here and there and qualifying phrases in sufficiency; and also letter replying to mine regarding married preachers. Will answer these later.

As to Mr. Tiep. I have just received word from him that he is now in Tourane. Who is paying his July salary? If original program had been carried out he would have come on the Hanoi station books for this month. However it seems that this salary should come out of the straight mission account. Will you kindly find out all you can from Mr. Tiep as to his financial circumstances and let me know. I sent him a gift of ten dollars in Saigon, but do not want to spoil him along this line.

If you know nothing about this July salary business it would be safe to advance him it as I feel sure the mission intends to pay it as if paying for a vacation month.

Kindly let me know as soon as convenient.

With kindest regards,

Yours in HIM,

W. G. Cadman
