

Dear Fellow Workers:

The work and fellowship of the students these last three months of our Second year have been a great encouragement to all of us who have been privileged to share in the training of these young men. And had you been here last Friday evening when each man gave his testimony of what Christ meant to him you would have cried or laughed—very probably both, because these young men had ~~human~~ joy and being in earnest they surely had the anointing of the Holy Spirit.

The following is the list of examination results. All of the men have done fairly well and some very well. Only one man had to confess that he felt ashamed that he hadn't put his whole soul into studying for the examinations. We don't say that the examination marks show just whether or not a man is a successful preacher, and some of the men this year have just been in one term, but human nature—student human nature at least,—even in a Bible School, requires a little, 'Phew' as you might say.

 Yours in His service,

THE INDO CHINA BIBLE SCHOOL

OF
THE CHRISTIAN AND MISSIONARY ALLIANCE.

3rd. Year. 1st Term. 1923.

1. Board per month, including exercise books and ink...\$ 5.00. This amount is hardly sufficient and may be changed later but will be the rate for this term.
2. A sum of money, to be returned as a monthly allowance, minimum \$2.00 per month, must be deposited by each Student with the Missionary in charge before leaving for Tourane.
This rule applies to all students and married couples whether coming at their own expense or not.
In the case of those whose support is provided for this amount may be paid from that fund if so desired, but only as long as the money is in the treasury.
3. If any assistance is required it will be allowed as so much off for board, but in no case can a man be accepted without a deposit of money as per #2.
4. Except in the case of ~~men~~ the men who have been Student Preachers for a year, all support of families or relatives must be met apart from Bible School funds.
5. In the case of men who require assistance please write in advance stating the amount of help required.
6. We have no dining accommodation for the wives of Students who come at their own support. Such accommodation must be arranged by the individual students when they arrive.
This accommodation may be provided later.
7. We will do our best to arrange for housing married couples who come at their own expense but must know well in advance of their arrival. No furniture except beds, tables and chairs will be provided.

Dear Fellow Missionaries:

The first two years in the Bible School were happy days but this year in a number of ways is 'better' and we trust that there are also more 'betters' for us in the future.

The old students have made a healthy school atmosphere and the new men have naturally fallen in line. We have divided first and second year men in some subjects but it looks as though all of the men will be able to keep up with the regular work; none are taking a special preparatory course. Senior students take 25 hrs per week and Juniors 18.

23

The course is as follows; Seniors, O.T., N.T., Chh Hist., Chapter Study, Rom., L. of Christ, Romans, What the Bible Teaches. Juniors; O.T., N.T., ~~Chh Hist~~ Chapter Study, Rom. Life of Christ, Genesis, Bible Keyes. Music is extra. The enrollment of students is 25.

Thus far we have had no serious problems or storms, all has been fair weather and clear sailing with just a couple of small clouds on the horizon. Some of the men do not quite agree with me about it being easy sailing and get up at 4 A.M. to hoist the sails in case they fall behind. It's a regular fishing fleet we are.

I had planned to issue a monthly financial report this year but it is difficult to give a condensed statement as there are so many detailed entries and much of the self support money has been paid in in advance. Our balance stands at about \$600.00 which includes money paid in from all sources. In the future I shall issue receipts for money received. However I understand that the Board has made a number of new rulings in regard to Bible Schools which changes the present arrangement, but I have no instructions yet from Mr. Jeffray or Mr. Irwin.

It was also my intention to issue a monthly bulletin in Annamese for the students who are away from School, but in talking with Mr. Irwin he suggested that since the S.S. lessons are to be issued it would be best to combine the two in one paper. Consequently we are going to send out a monthly magazine, 'LOI SANH MANG' and are charging 10cents a copy or \$1.00 per year. This is being printed as our duplicator cannot handle it. You are not responsible for the first copies sent to you but if you sell any we shall be glad for the cash. The second issue will be sent out to those who order and only as many copies as are ordered at the above mentioned prices.

This whole matter will be put before the ~~next~~ Executive Committee when it meets next and I trust that there will be a large enough subscription list to justify the Committee taking action to enlarge this magazine and to appoint an editorial committee with editors responsible for various sections. In the meantime Mr. and Mrs. Irwin, They Thus and I are issuing this in lieu of separate bulletins.

The Women's Bible School is well under way and Miss Frost is keeping the women busy.

This is quite long enough for any circular letter, so au revoir.

Yours in the Living Hope, D. I. Jeffery
