Rev. D. I. Jeffrey
Tourane, Annam

Dear Mr. Jeffrey,

Herewith enclosed please find copy of the minutes of the ex. com.

During this week 40 copies of the "Call" have been sent out as requested. The cost is \$1.00 for the Call and envelopes, and 64c. postage. We trust you have received those addressed to you. Owing to not having the conference minutes to go by, we only printed about 500, and so found ourselves short. However next time we will be able to print 750, I hope, and perhaps after a time be able to bring down the cost. This will depend largely upon the pictures used.

We will always be glad for any suggestions and constructive criticisms, and most of all for any articles, especially with original ideas as in the chessboard. We hope to run the history of the mission, a "Life" series, and a testimony feature each issue, if room! I will most likely take parts of your circular sent to the missionaries, and make something short and brief. Long articles are not read as a rule especially in such a small paper.

By the way I am, on principle opposed to any change of conference appointment in the matter of Mr. Olsen, and do not see where the urgency or emergency comes in to justify any action by committee or chairman. It is a mistake to change conference decisions, and some day there will sure to be lots of trouble. I hope that Mr. Ferry will soon get the needed permission from the Board, and also that property will be found that is "just the right place," and not one where there will be after regrets, and complaints. We are very sorry to hear about the Smiths, and pray God will touch her and make her well.

Now must close this hasty letter. I am getting down to correspondence and back letters next week, and will then answer what letters there are from you.

With cordial wishes from us all to you and Mrs. Jeffrey,

Sincerely Yours,

Wm C. Cadman
